TAIL ACTIVEWEAR

OUR **STORY**

For over 40 years, Tail Activewear has focused on delivering the best apparel for your active lifestyle. Today, we are still just as committed to delivering the fashionable styling, dependable sizing, and the best in technical fabrications that you have come to expect.

Our focus on fit is one of the reasons our customers are loyal to Tail. We use fit blocks to ensure consistent sizing from year to year. Our tops, bottoms, dresses, and outerwear are thoughtfully designed to flatter many body types, and you'll feel confident knowing you look your best.

During the design process, we draw inspiration from the latest fashions and translate them into classic, sophisticated looks we know will work in your daily life. We curate our seasonal collections to reflect up-to-the-minute styles, patterns, and colors, but always maintain our consistent fit and classic tailoring.

In keeping with our commitment to quality, we carefully select fabrics with features we know are important to you:

SUN PROTECTION

We all know how important it is to protect your skin from the sun. That's why most of our fabrics are rated UPF 40+ and block approximately 98% of harmful UV rays.

MOISTURE MANAGEMENT

Tail fabrics work to wick moisture away from the body, keeping you dry, comfortable, and worry-free.

COMFORT STRETCH

Our fabrics not only hold their shape throughout the day, but allow you to move freely while looking your best.

EASY CARE

Our fabrics are fuss-free and most can be machine-washed and dried.

The result of our unwavering dedication to our customers is a fabulous, fashionable wardrobe that will have you feeling your best for a round of golf, a tennis match, a yoga class, traveling, or even just running errands around town. We know you'll love the way you look in Tail.
